Communication is vital and if you have any questions or concerns at any point during the year, do not hesitate to speak to us.

Our theme for the year is **"Vision for 2020"**. Our hope is to see each and every student to go beyond "themselves" this year, making a difference in the community and in the lives of others.

We welcome Mr Tian Wessels to our staff as our new Afrikaans teacher and Louise Kruger as our new office manager.

ELECTRONIC DEVICES

As per our code of conduct, please be reminded that no cell phones or electronic devices are allowed at school. If a student is found in transgression of this rule, the device will be confiscated, and a R250 fine will be issued for the device in order to have it returned.

If a student needs their cell phone for travelling purposes, the phone is to be handed in at the office in the mornings for safe keeping and can be collected by the student after school.

DROP & GO

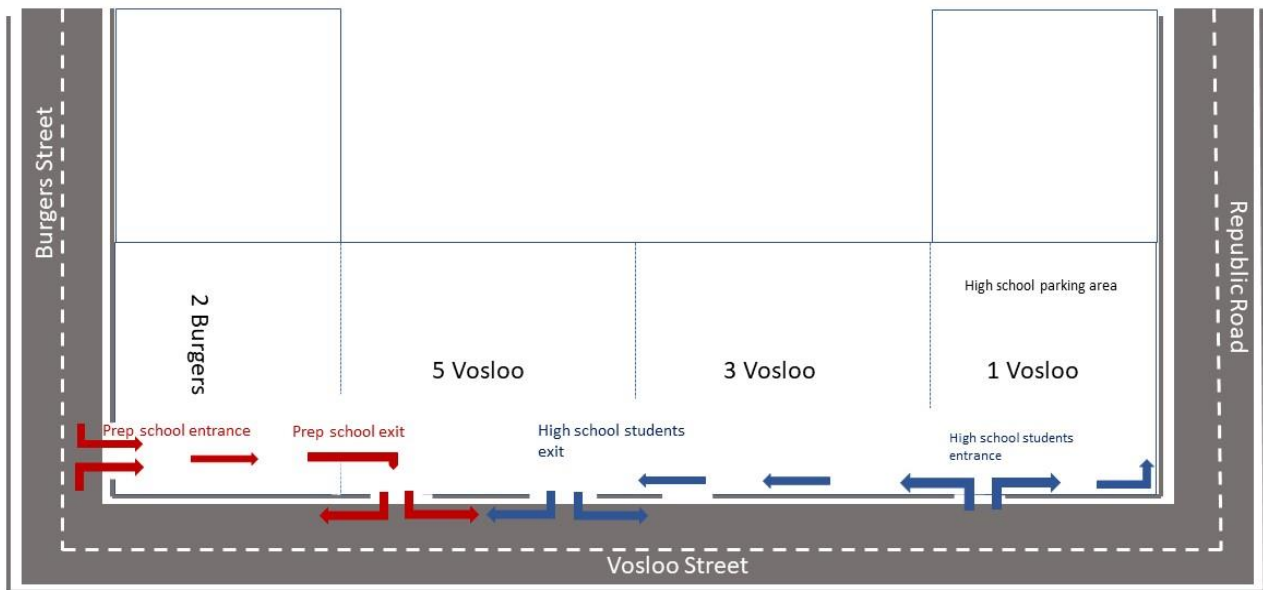

Please note that the "Drop & Go" is functional from 6:30 until 8:30 in the mornings, and from 14:00 to 15:00 in the afternoons.

Regarding the high school student drop off, parents are requested to enter through the gate at number 1 Vosloo Street (Andrews House). After entering, please turn left and go as far forward as you are able to proceed before dropping off your child/children and then exit through number 5 Vosloo Street (Mills House). Large orange cones indicate this.

Prep school parents are requested to enter via the 2 Burger Street (Saxby House, on the corner of Vosloo Street) and exit through the first gate at number 5 Vosloo Street (Mills House). This is also indicated with large orange cones. The system is repeated for collection in the afternoons. Please **do not** drop your child/children off in the street for the sake of their safety, your safety and the safety of other motorists and pedestrians. If you have a meeting at the school or need to park for any length of time, please park in the parking area at the back of the high school at Andrews House (no. 1 Vosloo Street) by turning right when you enter the property.

Your co-operation in this regard would be greatly appreciated. Please see the diagram below for further clarity of the "drop & go" system.
