# Term 4 2019

## Ecclesiastes 7:14

In the day of prosperity be joyful,

But in the day of adversity consider:

Surely God has appointed the one as well as the other,

So that man can find out nothing *that will come* after him

Dear Parents

The 4<sup>th</sup> Term is well underway, and it is with grateful hearts that we approach the final stretch of 2019. The Cambridge exams have commenced, and we trust that our students and visiting students are well prepared! We keep them in prayer as they write exams, applying the knowledge they have attained during the year.

## Entrepreneurs' Day 2019

We ended off last term on a high note with our annual Entrepreneurs Day. Well done to the high school students who participated in this event. What a privilege to see our students practically applying vital business skills!

*Caryn Andrews (keyboard) and  
Jennifer de Freitas (drums)  
accompanying the girls*

## Congratulations!!!!

We are so pleased with Karlie Booysen who obtained a Gold and two Bronze medals at the South African Gymnastics Games in September. Well done Karlie!

## In Memorium: Rev. Dr. Morgan Ellis

The founding headmaster of both Saheti School and Bishop Bavin School – St Georges, and honorary Rector of Andrews Academy, Reverend Doctor Morgan Ellis sadly passed away.

He served as a lecturer at the Johannesburg Teacher's Training College before he was appointed to be the founding head of Saheti School. He served at the school from 1974 to 1990 before he was invited to become the founding head of Bishop Bavin School in Bedfordview.

While at Saheti, Rev Dr Ellis was influential in establishing several traditions, including the school song and the design of the school badge. After serving almost 40 years in the education sector he was named as the longest

serving head in the Independent Schools Association.

Rev Dr Ellis attained his Master's degree in Education and his Doctorate in Philosophy. He was also an Anglican Church priest. In his retirement, he continued to preach and was appointed as the honorary Rector of Andrews Academy.

Uncle Morgan, as we affectionately referred to him, was due to preach at our Ascension Day service at school which would have been his last sermon. He unfortunately fell ill and passed away two weeks later. Uncle Morgan was a dear friend, Uncle to Caryn, Principal to Christian and mentor to our students and staff. He is greatly missed and is at peace with the Lord.

## In Memorium: Mr Dan Dobrowsky

**Open Door**

I Don't See Death  
I See an OPEN DOOR  
I Don't See The Stormy Seas  
I See The Shining Shore  
I Don't See Finished, An End  
I See LIFE FOREVERMORE!

Walking With Jesus Is An Incredible Thing  
No Matter What Difficulties We Face  
Our Cup of Joy HE Fills to the Brim  
Daily Encouraging and Supporting Each Other  
We Draw Our Greatest Strength From HIM!

We are a People who Don't Look Down  
We Always Look Above  
We Always Have a Song To Sing  
'Specially When The Going Gets Tough!  
Ever Learning That What Life Is About  
Is the Giving and Sharing of Love!

**Dan Dobrowsky**

A good friend, poet and mentor; Dan Dobrowsky was a man who had time for everyone and was willing to share the gospel at any event and on any occasion. He often attended our Awards Evenings and Ascension Day services. He had an amazing sense of humour and was one of the most positive individuals that you could wish to meet.

Dan passed away in September after a short illness and we will miss his catch phrase: "It's a good day to be alive". One of his poems (above) is a wonderful example of Dan's love for the Lord and his encouragement for others.

### Maths Tutor available

I can help you with IGSCCE Maths and AS level Pure Maths P1 as well as the prep school levels.

Sessions can take place either at Andrews Academy or I will travel to you.

I have been teaching and tutoring maths for the last fifteen years, including two years at Andrews Academy. I am registered with SACE (The South African Council for Education) as well as being a long-standing member of AMESA (Association of Mathematical Educators of South Africa).

You can get in touch with me, Guy Drew, anytime either by phone, sms, whatsapp or by email.
