Term 1

14 January - 20 March 2026

Dear Parents and Students

And those who know your name put their trust in you, for you, O LORD, have not forsaken those who seek you. (Psalm 9:10)

One of the school themes for this year is – **Trust**. Trust is a massive part of our relationships, and it's also a serious theme in the Bible. What does trust mean to you? What does it take for you to trust someone? When someone asks you to trust them, you would probably say something like "Trust is earned."

Now there is an element of wisdom attached to that, we wouldn't trust our children with a stranger, and we wouldn't let a friend remove a tooth unless they were a dentist. But why do we treat God the same way? This is the Creator Himself, the one who has delivered on every promise He made since the dawn of time. He's done everything to earn our trust, and we've done nothing to earn His.

As you go into this year, take some time to think about the promises He has already fulfilled for your life. Really think about it and give thanks. Then trust that He will fulfil the promises you are still waiting for. Take the things that are weighing you down and give them to God, look to Jesus, His son. Trust that He will do what you cannot – He is worthy. That's how you will witness miracles. That's how you will become who you were meant to be.

It is with sadness that I inform you that I have resigned from my role at Andrews Academy for personal reasons. I want to thank the staff, teachers, parents and students for your love and support over the last 5 years; it has meant the world to me.

I trust that the Lord will impact the lives of all involved in the school, as He has mine.

I will still be doing presentations and sharing the Word at Andrews Academy from time to time.

May this term be filled with excitement and anticipation as you search for the 'NEW' things God is placing in your life.

Blessings to all,

Martin Lamberti
