Term 2

08 April - 26 June 2026

Dear Parents and Students

A warm and hearty welcome back to the 2nd term of 2026. I trust that you had a blessed Easter and some time to spend with family and friends. The Ascension Day service will take place on Thursday the 14th of May at 10:00. Please invite family and friends to join us as we celebrate the Ascension of our Lord Jesus into Heaven. It is a normal school day before and after the service, so all students are required to attend. A close friend and former Chaplain of our school, Martin Lamberti, will be leading the service and sharing the message.

The second term is a very full term with Netball and Soccer league matches, as well as preparations for the production by our own Creative Arts Club which will mark the celebration of the opening of our school hall. Construction of the hall is expected to be completed by the end of August this year. A reminder that the mid-year exams take place in June.

Of all the blessings of the first term, the highlight for me was to witness the passion and energy with which our students participated in community work and in singing gospel songs during the outreach projects in Kwenele and Lydenburg. Thank you for all the lovely donations, and to the teams who worked hard in fund raising initiatives to make a significant difference in the lives of those who were blessed by it.

Our scripture theme for the term is Proverbs 3: Trust in the Lord. In a world that is plagued by war, economic challenges, and unbelief, I encourage you to be of good cheer and to keep your eyes fixed firmly on the Lord. May you and your families be abundantly blessed as you seek to do the Lord's will as He guides you each day.

Yours in Education,

Christian

Scriptures for the Year

TERM 1

Seek the Lord

Psalm 34

TERM 2

Trust in the Lord

Proverbs 3

TERM 3

Bless the Lord

Psalm 103

TERM 4

The name of the Lord

Psalm 9

ATTENTION PARENTS

It has come to our attention that some parents are not adhering to the designated road rules during drop-off and collection times. To ensure the safety of all learners and to maintain a smooth flow of traffic, your full cooperation is required.

Morning Drop-Off & Afternoon Collection:

- Upon arrival, please drive all the way down toward the bottom gate at Saxby House.
- All vehicles must form a continuous queue — **no random parking in open spaces.**
- This allows sufficient space for incoming traffic.
- If the vehicle in front of you leaves, you are required to move forward promptly (similar to a “musical chairs” system).

We also ask that you treat staff members with respect at all times, especially when they are guiding or addressing traffic flow.

Please note that **failure to adhere to these rules will result in fines, which will be added to your school fee invoice.**

These measures are in place to ensure a safer and more efficient drop-off and collection process for everyone. Kindly share this information with anyone responsible for dropping off or collecting your child.

No exceptions will be made.

Thank you for your cooperation.
