Term 4
28 September - 4 December 2026

Dear Parents, Students, and Teachers,

Term 3 was busy and memorable, with highlights including our festive Christmas in July Market and a highly competitive Sports Day. Congratulations once again to the Victors on winning the athletics competition and to the Conquerors on taking home the spirit cup.

As we begin Term 4, we are reminded that a full year of hard work will soon draw to a close. This final term brings tests, exams, and extra commitments, while also giving us an opportunity to celebrate how much our students have accomplished and grown.
To all our students preparing for tests and exams, we wish you every success. You have worked hard and are ready for this season. We will be praying for each of you as you approach it with courage and confidence.

As you enter this final term, remember to praise God in everything you do, whether big or small. Our Scripture for the term, Psalm 9, is a hymn of praise and thanksgiving that celebrates God's justice, protection, and authority. Take time to reflect on the blessings He has given you this year. If it has been a difficult year, consider where you have seen His provision and love. Even in hard times, there is always something to be thankful for. When we look back, the small things that went right often prove to have made the greatest difference.

The name of the Lord is great and worthy of praise in every circumstance. This is not always easy, but when we allow Him to have authority over our lives, we can find joy in both difficult and good times. Throughout this final term, I encourage you to praise Him and draw closer to God's heart.
May you be strengthened, experience peace, and find abundant joy throughout this final term of 2026. We look forward to reflecting with you at the end of the term and celebrating all that God has done.

We wish you an amazing Christmas Season and pray it will be a time full of fun, love, and rest.

Love and blessings,
Lauren Davies
